Variable Copay Enrollment

The Variable Copay™ program significantly reduces the rising cost of eligible brand and specialty medications by utilizing manufacturer-provided coupons. Enrollment is necessary to receive these manufacturer provided coupons. You can enroll in Variable Copay directly from the mobile app, if applicable.

Prior Authorization Reviews

Prior authorization is a cost-savings initiative of your prescription plan and ensures the appropriate use of certain drugs. This program is designed to help prevent improper prescribing or use of certain drugs that may not be the best choice for a given health condition. You can view your prior authorization status within the mobile app.
