Sample Reports: External Pharmacy Utilization

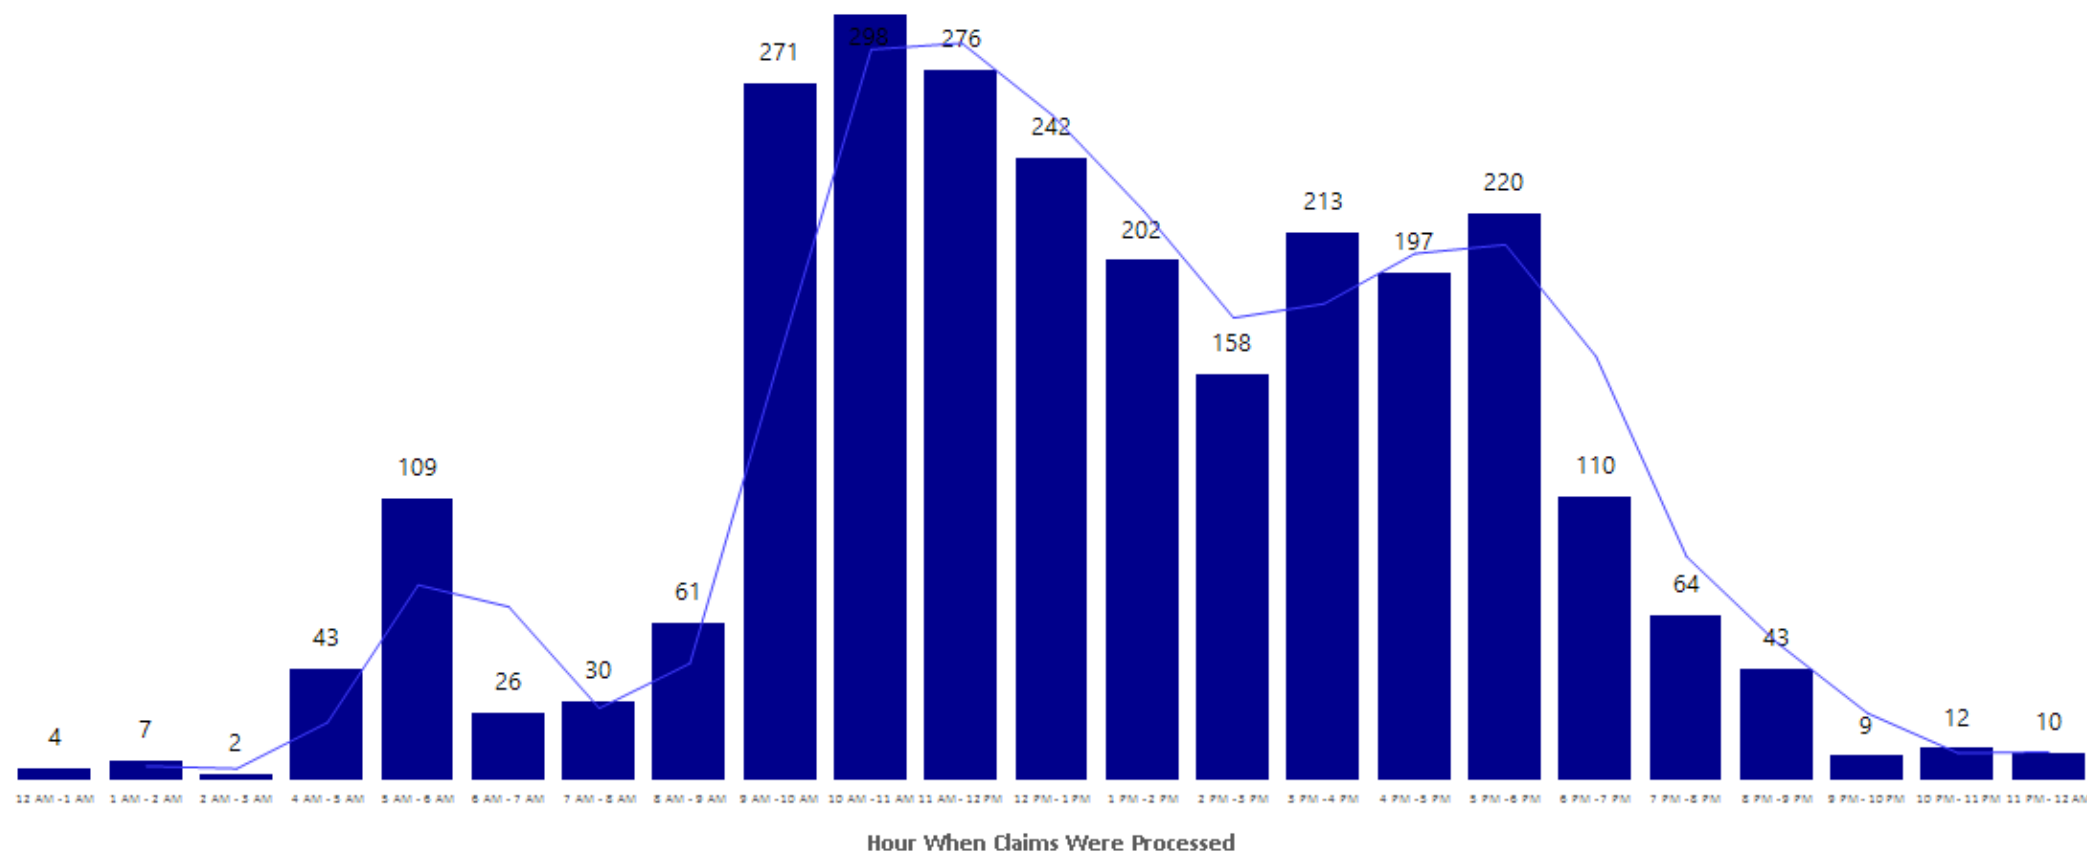

How and where employees fill prescriptions today

Health Systems External Pharmacy Utilization Report	
Account Id	1234
Account Name	Hospital 1
Total plan cost of claims filled at external pharmacies only	\$871,207.16
Number of claims filled at external pharmacies only	2,607
% of prescriptions filled externally	100.00%
% of plan cost filled externally	100.00%
Generic Utilization % of claims filled externally	77.25%
Brand Utilization % of claims filled externally	22.75%
% Acute Meds filled externally	34.22%
% of claims filled using Mail Order	0.50%
% of claims filled by Spouse externally	27.23%
% of claims filled by Employee externally	55.31%
% of claims filled by Dependent externally	17.45%
Average total cost/Rx filled externally	\$341.22
Average plan cost/Rx filled externally	\$334.18
Specialty % of claims filled externally	2.22%
Specialty % of plan cost filled externally	34.03%
Total LDD medications filled externally	0

Most prescriptions are filled during “business hours”

Hours When Prescriptions Are Filled at an External Pharmacy
